Pay Love Forward Community Wellness Challenge, Obstacle Course and Concert

Corporate Sponsor Invitation

Thank you for being a part of our first annual Pay Love Forward Wellness Challenge from May 25th to June 22nd. Becoming a corporate sponsor is one of the ways you can contribute and be part of the vision and mission of making Billings a better place while getting your brand and message out to the community. Any contribution you make, whether financial or other, will receive a tax-deductible receipt. For those organizations that truly embody a spirit of giving, Pay Love Forward offers specific packages to highlight our partners.

All funds generated will contribute to the success of the event itself and/or mission-centered Pay Love Forward projects. Pay Love Forward's mission is to build and sustain compassionate communities throughout Montana for at-risk and under-served young people through our mentoring model and by providing resources, promotion, and training. We help develop leaders through our training in mentoring, coaching, and leadership development as well as found and sustain our own Pay Love Forward communities that emphasize the ethic of compassion and promote mental health and well-being. Learn more about Pay Love Forward at www.payloveforward.net.

The following packages will be offered to our sponsors:
